About MAP Bus

- The schedule has been created assuming that hikers will stay the night in a lodge on Mt. Hakusan. While day-trips are possible, the scheduling of the bus makes this very difficult. Please allow for extra time, and be careful not to miss the last bus.
- The shuttle bus is both for hikers arriving by bus, and by private car. Therefore some days there are shuttle buses but not hiking buses.

Important Information

- No reservation is required so please arrive early to ensure a seat. Groups of more than 5 need to contact MAP.
- If there is heavy rain/wind and/or the road from Shiramine to Bettou-deai is closed off, the bus may not run. If this occurs during the trip, you will be charged the fee to Shiramine.
- There are no toilet breaks along the way, so please be prepared before boarding the bus. A toilet is available at Ichinose and Bettou-deai.
