# About MAP Bus

- The hiking buses are distinguished by the large “MAP” logo on their side, and they will display the route in their front window.
- Matto Station is just three stops from Kanazawa Station, along the JR Hokuriku Main Line.
- The schedule has been created assuming that hikers will stay the night in a lodge on Mt. Hakusan. While day-trips are possible, the scheduling of the bus makes this very difficult. Please allow for extra time, and be careful not to miss the last bus.

# Important Information

- Schedule and fares are subject to change..
- No reservation is required so please arrive early to ensure a seat.
- If there is heavy rain/wind and/or the road from Shiramine to Bettou-deai is closed off, the bus may not run.
- There are no toilet breaks along the way, so please be prepared before boarding the bus. A toilet is available at Ichinose and Bettou-deai.
